Not as of late. My contact is busy trying to get his first venture in Georgia started. I was hoping to hook you up when they make a visit.

That is now on hold for a while. Maybe we can talk at Rotary a little more.

Again thanks for your interest,

Good morning Glenn,

Just curious if anything ever happened with that Brew Pub that was looking at Lake City. I probably need to take you to lunch one of these days and you can fill me in on what else is going on in Lake City that I might need to be aware of from a real estate valuation standpoint. Thanks.

Chris
