RE: Joint Meeting

Dear David:

In response to your email this date regarding proposed dates for a joint meeting, after rethinking, it may be a better option to schedule a joint meeting after the holidays are over. As you know, everyone's schedules are only going to become more complicated the closer it gets to the end of the year. Also, I have just been made aware that there is a good possibility that I will be required to be out of town most of December 2023.

In light of the known advertising requirements the County has along with the Town Attorney availability being limited, I propose that we schedule a joint meeting for either January 10<sup>th</sup> or January 17<sup>th</sup>, 2024, 6pm at the Fort White Community Center. While I realize that this exceeds the 30-day time limit the Board of County Commission mandated, it seems to make sense to post-phone this attempt until after the holidays. This also gives the County plenty of time to pass a Resolution and advertise a meeting held in Fort White.

Please advise if either of the two (2) dates proposed above are acceptable.

Sincerely,

  
Ronnie Frazier  
Mayor
